

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

MY MOTHER, AT LEAST CAN REST HERSELF.

You must not make a noise, little brother. Hush, and go to sleep.

THE USEFUL SHOULD BE PREFERRED TO THE
ACREEABLE.

Playthings can please but a moment, while books are always amusing.

SELFISHNESS IS A GREAT FAULT.

I have gather'd some cherries for
my brother; I shall take pleasure in
presenting them to him.

GOODNESS OF HEART IS A SWEET VIRTUE.

Do not cry good little sister, I will say that it was me who broke the dish.

WE SHOULD NEVER BE WEARY IN
WELL DOING.

The good old woman will be much
obliged to me for carrying her load.

WHEN PEOPLE HAVE ANIMALS, THEY SHOULD
TAKE CARE OF THEM.

I am the little farmer girl, and
feed the chickens.

YOUNG PEOPLE CANNOT BE TOO
CAUTIOUS.

If I rush hastily upon the broken
plank I shall fall into the water.

PRUDENCE IS THE MOTHER OF
SAFETY.

Children should never touch fire-
arms.

Digitized by Google

STUDY IS NOURISHMENT FOR THE MIND.

Children should study so as not to be
ignorant all their lives.

Digitized by Google

WE SHOULD CALCULATE OUR
STRENGTH.

Accidents often happen by imprudent
efforts.

Digitized by Google

IT IS USEFUL AND AGREEABLE TO
KNOW HOW TO DRAW.

I wish to have a remembrance of
the country where I have passed my
childhood.

NEVER TAKE THE PROPERTY OF OTHERS.

If you wish people to respect your own property, respect that of others.

MUSIC PLEASES ALL THE WORLD.

Papa will be surprised when he
hears me play a piece so difficult as this.

CHARITY TOWARDS THE POOR IS A DUTY

Render assistance to the unfortunate
and the good God will bless you.

CHILDREN AND DOGS ARE ALWAYS FRIENDS.

I share my breakfast with trusty
Caesar.

Digitized by Google

PROBITY IS A LAW OF HONOUR.

This watch belongs to the lady of the mansion, she will be well pleased when I carry it to her.

WE SHOULD NOT FORGET OUR
DUTY TO OUR PARENTS.

I have gathered some fine flowers
to make a nosegay for my mother.

THE INDUSTRIOUS MAN WILL
ESCAPE MUCH MISERY.

He who rightly improves his time
will never be censured.

AFTER WORK COMES PLAY.

Mamma has given me this doll because I have been industrious.

LITTLE BOYS LOVE NOISY PLAYTHINGS

When I shall be general, I shall have
a good sword, and a large cannon:

THE MIND CANNOT DEVELOPE ITSELF
IN AN UNHEALTHY BODY.

Exercise is beneficial to health
and increases strength.

**BEFORE SETTING OUT ON A JOURNEY,
ONE SHOULD KNOW THE ROAD.**

I am going to carry a basket of
fruit to the city.

WE SHOULD EXERCISE MEMORY.

Papa will be pleased to hear me
recite my lesson without making
mistakes.
